Estructura de la lengua. Gramática. Semántica y léxico.

Programa Básico

Objetivos

This course has been designed for students with an upper-intermediate level of English. The main targets we will be aiming at consist of empowering the knowledge of English by means of focussing on a theoretical as well as practical approach. We should be emphatic on reaching both, the command of lexical and grammatical basic structures of the English Language, as well as the development of the four linguistic skills.

Programa de Teoría

In this part of the subject, we will focus on the revision and deepening of English tenses. We will work on the following issues:

Present simple and present continuous

Past simple and past continuous

Present and past. Revision

Present perfect simple and continuous

Present perfect, present and past

Past perfect

Present and past. Revision II.
