Professor/s	José A. Reque Kilchenmann Elena Hidalgo Rodriguez		
Contact (E-mail, teléfono...)	requekch@pvs.uva.es +0034 97910 8422 ehidalgo@pvs.uva.es +0034 97910 8387		
Department	PLANT PRODUCTION & FOREST RESOURCES		

1. Situation / Course

The subject focuses on public speaking, oratory, and visual and expositive dynamics. The subject is centered in scientific congresses and technical meetings and symposiums. The basic guidelines for the presentation of oral communications and scientific posters are analyzed in detail. The students participate actively in the organization of the Annual Young Researches Meeting where the students also present their work. The active participation in the congress and its organization are assessed for the course's grading.

2. Competences

- To be able to communicate orally and in poster format in specialized meetings as well as for non-expert people
- To be able to work in cross-disciplinary and multi-ethnic groups
- To develop interpersonal relations, recognizing and appreciating other cultures and habits as well as diversity and multiculturalism
- Know and apply knowledges in practice, analyzing, summarizing, organizing & planning
