7. Assessment

7.1. Ordinary call (normal period of examination)

Due to the COVID19 crisis, and according to the resolution of the University of Valladolid (link [here](#)), the assessment of the subject in the ordinary call is based on the following table.

Type	Weight in final mark	Description
Continuous assessment / class participation	50%	Assessment of activities done in class (before 13 th March) and outside of class.
Final course project	30%	
Individual exam	20%	The assignment will consist on answering a set of questions and write an essay about a subject proposed.

7.2. Extraordinary call

The extraordinary call is only available for those students who do not pass the ordinary call. The extraordinary call will consist on answering a set of questions and elaborate an essay about a topic proposed.
